### Special Edition

In preparation of a special edition of the SONOMA VALLEY EXPOSITOR, this paper is now planning to get out a big illustrated special edition in the near future, descriptive of the resources, attractions and the commercial and business interests of this nature-favored section. Mr. W. A. Stamatis, an experienced expert in this line of promotion, has been employed to do the work and will call upon the enterprising and progressive citizens of the valley to explain the plan and solicit their co-operation. He is authorized to attend to all matters pertaining to the enterprise and any courtesies extended to him will be greatly appreciated by the Expositor.

### Newspapers Are Warned

The postal department has recently ruled on the matter of advertisements which savor of lotteries appearing in newspapers, and has declared that in future, papers which shall publish such advertisements will be debarred from mailing privileges under the postal laws of the United States. The newspapers have been careless in publishing advertisements or articles concerning the giving away of prizes by business men, church societies or other bodies as the result of guessing contests or otherwise.

The postal department has held that these things, "guessing contests," the "holder of the lucky ticket," and similar propositions are exploiting lottery schemes, and that newspapers publishing the same are not entitled to mailing privileges. With these matters in view the publishers will in future exercise more care, and not publish anything regarding guessing contests or any other proposition wherein there is suspicion of lottery chance scheme. —Republican.

### No Delinquent Taxes

Monday was the last day for the payment of city taxes and Tax Collector, Jas. H. Albertson, kept open office until 6 o'clock p. m., to give all late comers a chance to pay before delinquency time.

It is not only a credit to Mr. Albertson but also an evidence of the prosperity of the city that there is not one cent remaining uncollected. Sonoma city will have no delinquent tax, list this year. The total sum collected and turned over to City Treasurer, Jesse Burris, was \$3065.36.

### The Next Grand Jury

Judges Seawell and Denny sitting en banc on Tuesday, selected the names of fifty qualified citizens from which list 19 will be chosen next November, to form the next grand jury for this county. Those selected from Sonoma Valley are—Frederick Quisen and F. Lemoine, of Glen Ellen; B. F. Campbell, George Breitenbach, Julius Fochetti, and G. H. Hotz, of Sonoma.

### Glen Ellen Masquerade

Glen Ellen Circle, Women of Woodcraft, will give a grand masquerade ball in Mervyn Hall, Glen Ellen, on Saturday evening, Feb. 22nd, Washington's Birthday. A cordial invitation is extended to all. ## City Fathers Meet

Mayor G. H. Hotz presided at a meeting of the Board of Trustees last Wednesday evening in the city pavilion. All the members were present.

The following bills were passed for payment:—Jos. Mazza, labor, \$4; R. A. Poppe, city attorney, salary, \$112.50; Sonoma City Water Works, water, \$15; E. H. Johannsen, street work, \$104.67½; H. Castagnasso, street work, \$43; Wm. Trudgen, stone cross work, \$40; H. Pooler, labor, \$2.50; A. Pinelli, gravel, \$64.80; J. G. Marcy, mds and repairs, \$2.50; W. Fowler, labor, \$3; L. Maffei, gravel, \$26.40; Sonoma Valley Co., lights, \$35.40; Thos. Brown, labor, \$4; H. H. Granice, printing, \$2.14.

Trustee Wagon brought up the question of putting new streets through the plaza, cleaning the ground and filling in around the new city hall. The matter was referred to the Plaza Committee, with instructions to employ a surveyor and bring in an estimate of the labor and material required to do the work, at the next regular meeting.

A strong petition signed by representative tax-payers, was presented asking for the opening of Patton St., between First and Second Sts. east.

A majority of the board favored the idea. The petition was placed on file and the petitioners requested to secure the right-of-way, if possible, and furnish an estimate of the cost of grading, graveling, etc.

Many of the property owners interested, were present and signified their willingness to contribute towards making the desired improvements.

The Board then adjourned to Friday evening Feb. 28, to receive and act upon the petitions of saloon men for a renewal of licenses.

### That Train Wreck.

It was persistently rumored on the streets here on Tuesday and Wednesday that some party had attempted to wreck the early down train Tuesday morning on the California Northwestern Railway near the city limits of Sonoma.

Investigation proved the startling report to be absolutely false. No attempt whatever was made to wreck the train.

It seems that something became loose on the regular freight which had just passed, and falling down dragged along the track, unnoticed by the train crew, until it struck the cross fence at the cattle guard. This fence was knocked down and partly switched upon the track.

The obstruction was noticed by the next engineer who came along. He stopped the train, threw the boards off the track and proceeded on his way. This was the reputed attempt at train wreck in Sonoma.

### Mrs. Georgiana Schell Entertains.

At the old Schell homestead at Schellville, Mrs. Georgiana Schell delightfully entertained a few friends in honor of her daughter, Mrs. Antunes, and daughter of Brazil.

Mrs. Antunes and daughter have been visiting in Europe and America for the past six months, and expect to leave here next Monday for New York, thence by steamer to their home in Brazil, where Mr. Antunes, who is a very wealthy man, has large commercial interests.

Mrs. Antunes will be remembered by many Sonoma Valley friends as Miss Schell.

A pleasant voyage and safe return home is wished the lady and her charming daughter.

### Soon to Wed

Two popular young Sonoma girls, who were educated in school here, are shortly to be led to the altar by two young business men from abroad. The young ladies will be greatly missed in local business circles.

### County Money

The officials designated by law to count the money on hand in the county treasury every month performed that duty on Monday and found the sum of \$331,637.55. They also found a surplus of 35 cents over the required amount.

### SUPERINTENDENT

### Runaway Stopped

While driving with a double team from Sonoma to Agua Caliente last Tuesday, Theo. Richards, accompanied by Wm. Murphy, narrowly escaped serious injury. About a hundred yards this side of the Bridge Saloon, the tongue of the wagon broke causing the team to start out and collected considerable real estate on his wearing apparel but luckily was not injured. Mr. Richards bravely held on to the lines and succeeded in stopping the horses before any great damage was done to the wagon.

### Basket Ball

A very interesting game of basket ball was played in Union Hall last Saturday afternoon between the girls' team of Napa High School and the girls of the Sonoma High School. The visiting team won with a score of 12 to 7.

The Sonoma girls, while losing the game made a remarkably good showing, it being their first match game.

### Deafness Cannot be Cured

by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness, (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75¢. Take Hall's Family Pills for constipation.
